

I come to You

**I can feel your love inside of me
I feel your touch in every heart beat
It is grace that has set me free
Yes I am free in deed**

**I have fallen madly in love with you
With my life I want to honor you
I want to give you all of my praise
I want to give you all of my life**

CHORUS:

**I come to You
My heart is open wide
Cleanse my soul, renew my mind
Make every day new
I come to You**

Bridge:

**Let everything slip away
It's only You and I in this place
(repeat)**

Verse:

**E / Esus – A / Asus (x2)
C#m – B – A**

Chorus:

E – A – C# - A – B – A

Bridge:

C#m – B – A
