

This Moment

**Here in this place, I pour out my heart
I surrender all, every piece every part
I'm longing to hear, Your voice in my soul
Desperate to feel, to be made whole**

**It's my one desire, to honestly worship You
It's my one desire, to desperately reach for
You**

E A C#m
Let me lose myself in You

A
Feel You wash over me

E A
Draw me close to You
