

# You Have Captured Me

VS: E – B – Abm – F#

My soul cries out, for Your touch, for Your touch

Let You glory fall, in this place, in this place

You have captured me, with Your grace, with Your grace

My heart now beats, for You, It's only for You

Ft. Chorus:

          E        F#        Abm    E  
Would You pour in me, Your loving kindness

          E        F#    E                F#  
Would You pour in me, Fill me

Chorus:

B                                F#  
You have captured my heart

                                Abm  
I've lost myself in who You are

                        C#m                Eb/B        E                F#  
I wanna live a life that lives in You

Bridge:

A – E                B  
Jesus, You have captured me

A – E                C#m – Eb/B – E – F# (BACK TO CHORUS)

Jesus, You have captured me
