

Your Love Endures – Psalm 118

Intro: F# - E# - Bb – B

Vs: F# - E# - Bb – B

F# - Bb – B

With each breath I breathe in more of You
And every breathe brings new life

I am humbled and You've heard my cry
Only You can satisfy

Chorus: F# - C# - E - B

Save me, save me

You are good, You are God

Your love endures (Forever)

Hold me in Your arms with a warm embrace
Covered by Your boundless grace

At the cross my heart's been purified
By Your blood I'm made alive
